About Me
Technology & Business!

My name is Rediet Muluken, and I am a Software Engineering student. Alongside my studies, I hold the positions of Deputy Manager and School Leader at Romlina Academy PLC. Additionally, I serve as the Finance Head, where I oversee financial operations and ensure the smooth running of financial activities. I have had the privilege of completing various leadership and finance training programs, enhancing my skills in these areas. I am passionate about utilizing technology to solve complex problems and improve efficiency in different domains. With a strong foundation in software engineering and a keen interest in finance, I strive to bridge the gap between technology and business. I am driven, dedicated, and always eager to learn and grow in my chosen fields.
